ECO PEARL

HAND HYGIENE

I41010120 - 750 ML - 12 PIECES

I41010121 - 1 LT - 12 PIECES

I41010122 - 5 LT - 4 PIECES

Concentrated perfumed hand soap with physiological pH. Ideal for daily cleaning of skin and hands. Product free from dyes and dermatologically tested, it does not crack hands even in the case of frequent washing. Suitable for use with any dispenser. Pleasantly scented product with Aloe, it is suitable for use in nursery schools, kindergartens, offices, hospitals, communities, industry, workshops, etc. Suitable for the application of HACCP self-control plans.

COMPOSITION:

Aqua, sodium laureth sulfate, sodium chloride, cocamido propyl betaine, glycerin, citric acid, phenoxethanol, ethylhexylglycerin.

HOW TO USE

Ready-to-use product to be applied on damp hands

- Pour the product directly into the appropriate dispenser.
- Dispense from one to three doses on damp hands, spread evenly and rub for a few seconds, finally finish with an abundant rinse
- Repeat the operation if your hands are particularly dirty.
